A. Recognition is an essential element of any Association that strives for the improvement of its members. (1) The WSHNA Distinguished Service Award shall recognize an outstanding event of crisis negotiations. Regardless of the type of incident, i.e., suicide intervention, barricaded subject, or hostage taking, this award is meant to recognize a single event where the negotiator exemplified himself or herself by utilizing negotiation skills to resolve an event. This award can be given to any

negotiator who is recognized as such by their law enforcement or correction agency. While realizing that a successful negotiation is many times accomplished by a team effort, this award can be given to a team, as well as an individual. Recipients of the WSHNA Distinguished Service Award must be past or present members of WSHNA and may be submitted by anyone with sufficient knowledge of the event in question. The nomination must be signed by two people, at least one member in good standing of WSHNA.

(2) The WSHNA Tom Moyer Memorial Award (President's Award) shall recognize an individual who has made a significant contribution to the Western States Hostage Negotiators' Association or a significant contribution to the art of crisis negotiations in general. WSHNA recognizes that in any organization or in any endeavor there are people who consistently come to the forefront to offer time and energy. Through the Tom Moyer Memorial Award WSHNA will strive to recognize some of those dedicated individuals. Recipients of the Tom Moyer Memorial Award are not limited to members of WSHNA. However, nominations must be submitted by two people and one person must be a member in good standing of WSHNA.

B. Nominations for the Distinguished Service Award and for the Tom Moyer Memorial Award must be submitted to the Executive Director no later than April 1st of each year. Nominations can be submitted by any two members in good standing. The Executive Director will then convene a meeting of the Executive Board to review and discuss any nominations received. If more than one nomination is received for a category, then the Executive Board will vote to establish the award winner. It is not required that a Distinguished Service Award or the Tom Moyer Memorial Award be awarded each year. It will be the decision of the Executive Board what will represent the award and be given to recipients, i.e., plaque, certificate, monetary amount, gift certificate, etc.

ARTICLE VII: AMENDMENTS

A. These bylaws may be altered, amended, or replaced, and new bylaws may be added at any regular Board of Directors' meeting or General Membership meeting.

Under no circumstances shall the assets of the Association go to the benefit of any individual member of the Association.

ARTICLE IX: LIABILITY

ADDENDUM #1

Funds Distribution for Local Training

Purpose

Encourage regional crisis negotiation training in Western States Hostage Negotiators' Association (WSHNA) Districts, thereby achieving WSHNA goals.

The primary goal of WSHNA is to develop in members a higher degree of proficiency in the performance of their professional duties. The Association shall provide training for members and the Association shall act as a resource and conduit for information sharing.

Maintain responsible stewardship of WSHNA funds by providing a system for WSHNA members to request funds, Executive Board review of requests and Executive Board approval of worthy requests.

Policy

WSHNA members may request WSHNA funds to support crisis negotiation training at a local or district level. The request will be reviewed by members of the Executive Board who will approve, deny, or amend the amount of the request. In reviewing the request, the Executive Board will consider the current fiscal situation of the Association and the benefit of the training to the membership. The Executive Board may consider the opportunity for participants to actively participate in the training, interaction of the local agencies, potential impact on actual negotiation/crisis events, and the ability to practice negotiation skills. Additional factors may include membership participation in the target location and proximity to the Annual Training Seminar. The cost-per-student guideline amount is established at \$20.00 per student, per day for a maximum of two days. Requests are capped at \$1,000.00, unless waived by the Executive Board.

WSHNA training funds are meant to supplement resources and monies provided by the local agency and are not meant to replace the obligation of the local agency to provide training. The

Executive Board will examine the monies and resources provided by the local agency when considering approval of WSHNA funds.

Our Annual Training Seminar & HNT Competition is recognized as our primary training event of the year. WSHNA would like to minimize any negative effect on our annual training due to the scheduling of other training events. While it is not the intent of WSHNA to dictate any times, dates, or places of training not conducted by WSHNA, WSHNA does have the ability to influence the choice of those times, dates, & places. The Executive Director will review all training brought to WSHNA's attention that falls within the guidelines of two months prior and one month after the annual WSHNA Training Seminar. If the Executive Director sees a conflict which could adversely influence the attendance of the WSHNA Training Seminar it will be brought to the attention of the President & Vice President of Events. The Executive Director can be directed not to use our influence via the web site, social media, email, and databases to publicize any events within that timeframe. Training Funds can be denied for those events which are identified as adversely influencing the attendance of the WSHNA Training Seminar.

Procedure

Requests should be made at least one month prior to the requested distribution date. The request must be presented by two (2) members in good standing, within the district requesting the training funds. The request can be made to the District Representative or directly to the Executive Director. The Executive Director will review the requests and seek answers to any questions the Executive Board is likely to have. The Executive Director will forward the request to the Executive Board for a vote.

The written request will include:

- projected number of students
- date and location of the training
- fee for training (if any)
- specific purpose of the funds

- recognition of funding in training announcements
- announcement at the beginning of the training
- WSHNA logos placed within training materials
- WSHNA membership flyers distributed during the training
- immediate membership purchase (Square® will be made available & encouraged)

- provide digital pictures of the training if possible

The training may focus on district or local needs and issues and can encourage local participation but must be open to all WSHNA members.

If a fee is charged to participants any funds in excess of actual training costs must be reimbursed to WSHNA up to the amount of WSHNA funding.

The use of funds may be used for, but not limited to:

- training materials
- speaker fees
- recognition and awards
- training location fees
- lunches
- other items which directly affect the training results

The use of funds may not be used for:

- souvenir, logo, or promotional product type items
- hospitality room supplies, alcoholic beverages, or hospitality room location
- commercially available items that normally would or should be the responsibility of an individual or agency, i.e., books, videos, throw phones, vehicles, team equipment, etc.

It is preferred that vendors and presenters invoice WSHNA directly. However, should funds be made payable to a WSHNA member, appropriate receipts will be supplied within 30 days upon completion of the training.

The final approval of all funds distribution remains solely with the WSHNA Executive Board.

ADDENDUM #3

BOARD RESOLUTION OF MAY 4, 2020

Whereas the COVID-19 Pandemic caused restrictions imposed by the State of Washington that made it impossible for our 34th Annual Training Seminar to be convened. The subsequent cancellation of our annual event resulted in the failure to comply with the following by-law items.

- 1) Elections of two District Representatives (District 2 & District 4)
- 2) Elections of two Executive Board positions (Vice President & Secretary)
- 3) General Membership Meeting

Whereas the Board of Directors wishes to move forward with the business of our organization, the following resolution was passed without dissent by the Board of Directors during electronic voting between May 4, 2020, and May 11, 2020.

Be it resolved that the elections of two District Representatives and two Executive Board Positions scheduled for the Seminar of 2020 will be postponed for one year. All expiration dates of current Board Members (Executive Board Members & District Representatives) will be one year later, i.e., if the term expired in 2020, the term now expires in 2021. Likewise, if the term expired in 2021, the term now expires in 2022. This decision was not taken lightly and involved

discussion of several options to maintain quality leadership of the organization. Also, be it resolved that the Representative At Large, traditionally the upcoming Seminar Chairperson, will be appointed by the President as normal.

Whereas the Board of Directors is sensitive to the needs of the membership, be it resolved that a general electronic mailing will be conducted in the near future asking for any input that the membership would like to give the Board of Directors, similar to asking for New Business at the General Membership Meeting. All items submitted to the Board of Directors will be answered by a member of the Board of Directors. Any item requiring action by the full Board of Directors, Executive Board, Committee, and/or Executive Director will be given that attention.

Further, be it resolved that upon completion of all tasks above, this resolution shall expire.
